EXTENSION MOVE UP

At UBC we use tape extensions because we believe they are non-bulky and easiest on your hair. They come in two lengths, 35cm and 50cm. All new extensions require a consultation 5 days before, so we can match the hair colours and provide an accurate quote. You will need to have the extensions moved up regularly as your hair grows; the hair itself should last a year if taken care of properly. You must use citrus, oil and protein free shampoos and conditioners, as these can weaken the bond to your natural hair.
